GROUNDBREAKING

\*Congregation will please stand.

*Following the groundbreaking, you are invited to a luncheon in Sheffield Center.  
Vans are available for those who need transportation to the luncheon.*

Special thanks to all the churches, the Georgia Baptist Convention, the Cooperative Baptist Fellowship, donors, friends, alumni, faculty and staff who have supported the programs and students of Mercer University and have helped us reach this important milestone in the University's history.

The School of Theology Building is being designed by the Atlanta architectural firm of Cooper Carry and Associates and will be constructed by Holder Construction, Incorporated.
