GENERAL INFO

References: (Page 41, Section 3.2, Page 42, Section 3.5)
“References should be listed in numerical order at the end of the manuscript.”

“References should be numbered consecutively with arabic numerals in the order in which they are cited in the text.”

“When citing the same work two or more times in a manuscript, give the reference one number and refer to it by that number every time it’s cited.”

Citations in the text of your paper: (Page 42, Section 3.5)
“Each reference should be cited in the text, tables, or figures in consecutive numerical order by means of superscript arabic numerals. Use arabic superscript numerals outside periods and commas, inside colons and semicolons.”
