INTRODUCTION

Back of the wonderful universe in which we have our home there was a Divine Designer. Just as back of the watch there is the trained jeweler, so back of the great building there is the architect, so is there back of the universe the Eternal God. Genesis 1:1 tells that "In Beginning God created the heavens and the earth". What was the great purpose in the heart of God when He created the world? From our vantage point of several thousand years we can say that God created the world in order to have, free, sovereign personalities to adore and worship Him. Hebrews 1:2 tell us that "God constructed the ages in Christ". Thru the ages there has been the revelation of a universal love going out in redemptive purpose. When we so conceive God's plan then Christian personality becomes the most priceless thing in the world. Men have not always responded to God's plan for them but they have realized that thru out all history "one increasing purpose runs". World wide redemption is not an after thought but a part of the eternal purpose of the heavenly father.

DISCUSSION

1. This Plan is the key to the understanding of God's dealing with man.
   A. Each age is an epoch in the Plan
Romans 11:11-36  
God choose Israel as a nation to carry out this purpose. There is this difference between Israel and other races.

(1) Purpose for which God used each nation in His Plan

(2) The manner of writing the history of Israel's written from the Theocratic standpoint. Acts 17:22-31

B. This is illustrated in Genesis.

Genesis 12:1-6 Abraham -
Purpose - "Bless all the families"
Plan - Calling out those who believe to tell rest.
Call - into God's plan
Commission - "Be a blessing"
Covenant - "I will be your God"
Promise - A great nation - blessing to all the world.

Genesis 22:15-18 Offering Isaac -
Faith Principle

Genesis 26:4 Blessing to Isaac
Genesis 28:14 Jacob in the Plan
Genesis 49:10 Judah
Here we have the beginning in operation of God's plan in special relation to the Hebrew people.

Chapters 1--11 Introduction (Not for Scientific purposes) great time
Chapters 11-50 (200 yrs. 4 men)
A great revelation of the purpose of Almighty God.

C. Exodus 19:1-6. This message before law of pol. soc. or rel. life given
Israel then constituted as a nation for God's purpose.
2. This Plan of God will bring humanity to its ideal and destiny. Rev. 5

John 1: 14-16
Eph. 2:15 "A new humanity in Christ"
Isa. 66:22-24
Rev. chapters 21, 22
Romans--Chapters 5-8
11 Tim. 2:10
Acts 2:14-21
Psalm 8, Hebrews 2
This is God's ideal--11 Peter 3:13, 3:9; 3: 14.

3. This plan magnifies God's love for man.

Other religions fail to reveal a God of love to men. Mohammedanism and Judaism. Jesus --a loving Father What men mean to God's love
Isa. 55 is a universal call from a God of tender compassion
Romans 5:6-8
1 Tim. 2:4; 1 Peter 3:9, Eph. 2:4
1 Tim. 4:10, 1 John 4:10
God's Love wants this sinful World.

CONCLUSION

We are the part of God's plan in this day. God's grace is on its way from you to someone else. Our one desire must be to fit into God's plan each day that we live. Horace Bushnell--"Each person has a Divine biography marked out for him by the Eternal which he enters into life to live."
